

## Community Housing Program Announcement To Parents

We are excited to offer you the option to bring your children, if needed, to every appointment you have with us. We have designated an area specific for children, where they can play, while you plan for their future!

At CAH we respect the family dynamic and the importance of it. Don't worry if you have to bring your children with you to one of our appointments. We understand!

\*While coordinating future appointments with your housing assistant, please mention you would like to bring your children\*
